

Additional Services Requests

Please note that there is a cost associated with the following services that are often requested in addition to therapy sessions.

Additional services include:

- Letters for court, social workers, probation officers, or other referral sources.
- Telephone conferences with lawyers and/or GALs.
- Preparation time for conferences with lawyers and/or GALs.
- Phone consultations with other third parties (treatment providers, referral sources, probation officers, social workers, etc.).

Additional services outside of therapy sessions will be billed to the client's account at the rate of \$85.00 per hour. Services that take only a portion of the hour will only be billed for a fifteen minute portion of that hour.

Health insurance companies will not pay for the above services, so clients will be expected to pay.

Additional services billed to the client's account need to be paid prior to the next therapy or life coaching session.

Please note that actual court appearances and preparation time for court appearances are billed at a higher rate.

My signature below indicates my agreement to pay for any additional services requested outside of my therapy or life coaching sessions.
